# ON-SITE REGULATIONS

Exhibits requiring mechanical handling or lifting aids must be handed over to the Official Freight Forwarder at the freight yard and/or loading/unloading bays; thus, Exhibitors and their forwarder/transporters are requested to contact Official Freight Forwarder which they have engaged in order to facilitate the co-ordination & requirement.

For safety reasons, only the official freight forwarders can operate lifting equipment such as sack-barrows, forklifts, hard-wheel trolley, pallet trucks or cranes.

**Exhibits can hand-carried and use hand tuck trolley by exhibitor.**

**\*\*Please provide exhibits information in advance to the official freight forwarder for arrangement no later than 25 February 2026.**
