Payment Reminder

Order #OR000015 requires payment confirmation

Order confirmation required

Dear **Expolink**,

We hope you are doing well. This is a friendly reminder that the payment deadline for your webshop order is February 15.

Please note that any orders not paid by this date will be placed on hold, and the on-site pricing will apply to payments made after February 15.

We kindly encourage you to complete your payment on time to avoid the higher on-site rate and ensure a smooth preparation process.

Should you have any questions or need assistance, please feel free to contact us.

Thank you very much for your cooperation.

Warm regards,
Victam Corporation

Exhibitor Badge – Deadline: No deadline, however preferably 7 days before show date

All stand staff require an exhibitor badge to be allowed to enter the exhibition during the days of the event.

Please click [here](#) to order your exhibitor badges. In the coming weeks, you will receive your log-in details in a separate email from Marvel, our registration partner. If you do not receive this, please email Victam Operations.

In the same link, you can also order lead scanners for your exhibit, preferably at least 7 days before show date.

Please note: The number of exhibitor badges depends on the size of the booth: 2 badges per 9m2.

Exhibitor badge pick-up schedule :

- March 9, 2026 (Mon) – 10.00 to 17.00
- March 10, 2026 (Tue) – 08.00 to 18.00

**Stand staff can collect their own badge at the venue entrance (Registration area) by showing their own barcode (generated by the Marvel system)*

Remember, your contractors require a different access pass/ pass tag to be allowed to enter the venue during the build up and break down period. For more information, please go to the build up/ break down Information section of the portal.

Visitor Invitation Cards

Deadline: **February 1, 2026 (Recommended)**

Did you know that visitor promotion is key to a successful trade show? Over 50% of the visitors at crowded events are invited by the exhibitors. So when you send out your invitations, you contribute to the success of the trade show. Your invitees will come to visit your booth and many others who are invited by other exhibitors will link up to you as well. This is how we entice and engage the full supply-chain of the industry to come and meet us at Victam and Animal Health & Nutrition Asia 2026.

Victam provides visitor invitation cards, free of charge, as a service to our exhibitors. It will be available in:

- Printed version (in English)
- Digital version (available in English, Chinese, Russian, Dutch, German, Italian, French, Thai and Spanish languages)

To request for online/digital invitation, please send email request indicating your desired language version to yvonnekaal@victam.com

Please note that the invitation itself is not the admittance ticket – for free admission, visitors will have to pre-register on our website.

The sooner you accomplish this and sent to your clients, the sooner they can consider and prepare accordingly.

To request for printed visitor invitations (in English), [Click here](#) and we will send it to you via mail

The 'Marketing & Sponsoring' button provides information on Visitor Invitation Cards, VIP Invitations, and Sponsorship & Advertisement.

1. Exhibitors are not allowed to replace existing fascia with self-made fascia for Standard and Display Shell Booths.
2. Not allowed to use the other furniture from outside.
3. No drill, screw, paint, nail, or fixture of any kind is allowed to be affixed onto the partitions, floor, or ceiling.
4. Not allowed to decorate things higher than the wall of the standard booth.

5. Exhibitors or contractors can use the adhesive tapes on the panels but they must be removed and cleaned after the exhibition. If there is any damage to the material, the Official Stand Contractor will charge 1,000 THB per each.
 6. Wall fitting stands and/or displays a weight not over 5 kg.
 7. All exhibitors (shell scheme, pavilions and raw space) are responsible for cleaning their own booth space.
- * Exhibitors have to bear in mind the completion before handing over. If any damages occurred, the cost of repair or replacement will be assessed by the Official Stand Contractor and/or Venue Owner.

RULES AND REGULATIONS OF STANDARD SHELL SCHEME

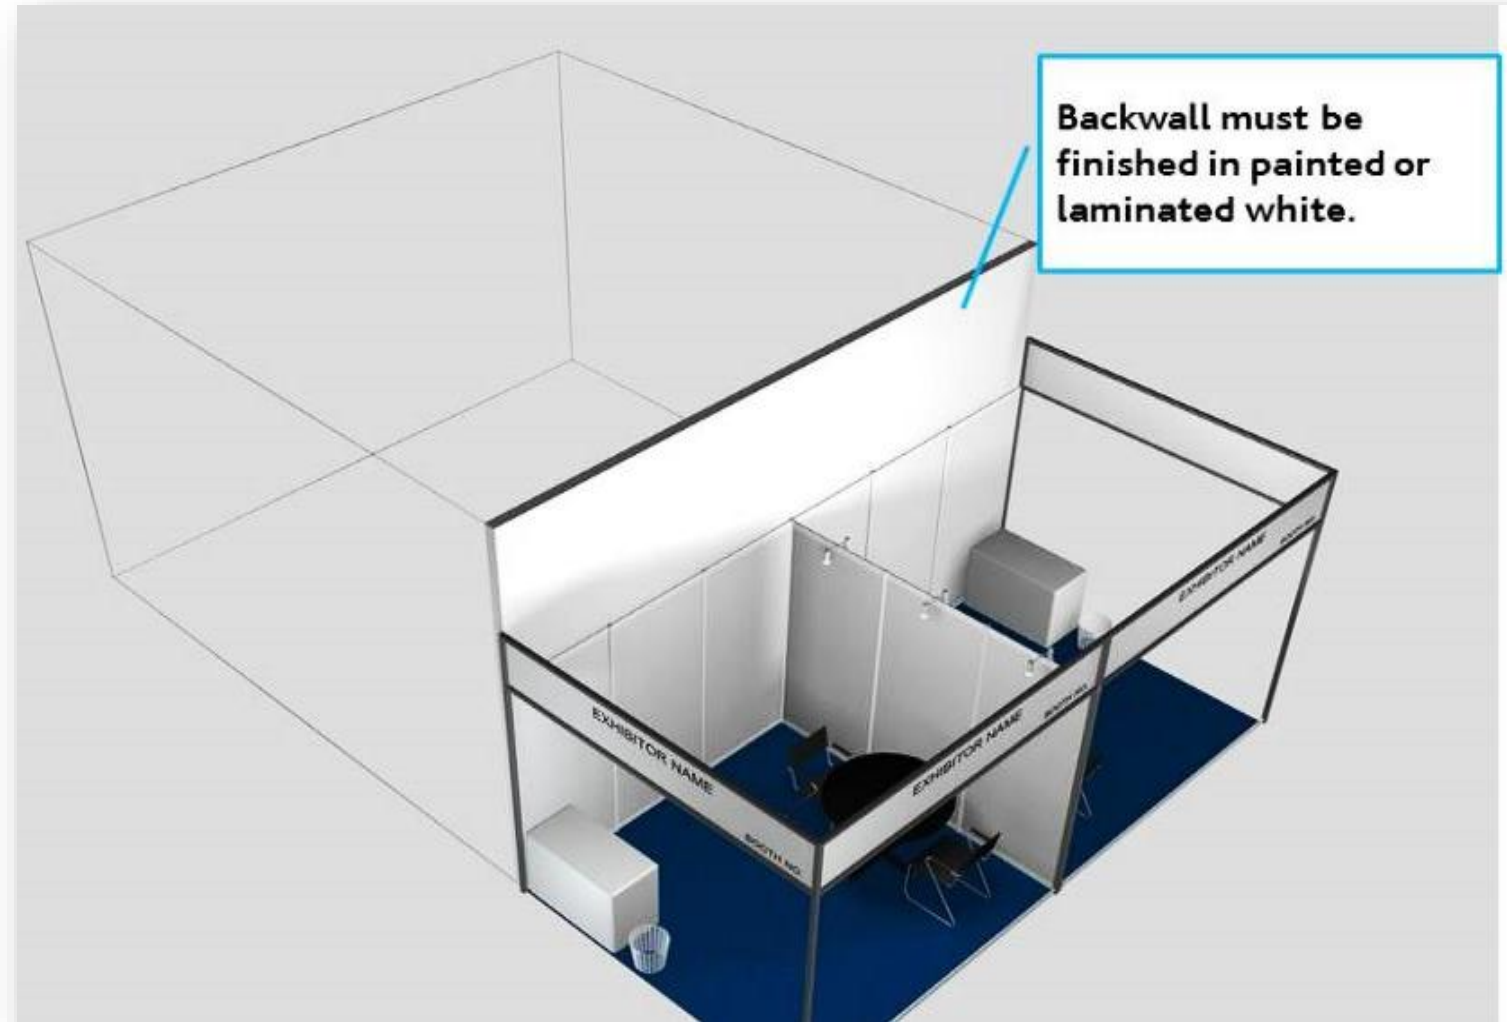

10 – 12.03.2026

BITEC, BANGKOK, THAILAND
victamasias.com

Where the stand abuts onto another stand, the walls of the adjacent stand are strictly not allowed to be used by the Exhibitor, i.e. every exhibitor is responsible for building their own walls to separate their stand.

Minimum wall height of 2.5 m must be constructed and properly finished in white.

- Nominated stand contractors submit the Contractor Badge Form on Webshop and send it to tipsukon@koelnmesse-thailand.com .
- Exhibitors must submit the detailed drawing for approval by the Organiser before **5 January 2026**. This includes a booth plan, elevation plan with dimensions and illustrating the design of the stand. The Organiser reserves the right to reject any construction and design they deem inappropriate. Late submission may mean that approval may not be granted in time for construction to commence on-site.
- Please kindly submit all of the booth designs to yvonnekaal@victam.com

RULES AND REGULATIONS OF RAW SPACE

10 – 12.03.2026
BITEC, BANGKOK, THAILAND
victamasias.com

- Working at the height must make the appropriate arrangements for safety according to the law and BITEC.

- A suitable floor covering, such as carpet, matting, or platform, must be provided for all stands. All carpet and floor coverings must be affixed with residue-resistant double-sided tapes. The Exhibitor will be responsible for the removal of all tapes and residue marks within the demarcated booth. The use of paint or other adhesives on the floors of the Exhibition Hall is strictly forbidden.
- No fitting or display is to be attached, nailed, screwed, or drilled onto the flooring. Platforms must be durable and stable to carry and distribute the weight of the stand fitting, stand personnel, visitors and exhibits, having regard to the loading limits of the floors. If this instruction is ignored, the Exhibitor/Contractor concerned will be responsible for any damage caused.

- All Rigging and/or hanging structures require written approval from the organizer in advance. This is subject to an air space usage/advertising fee of 395 EUR per piece (Not including printing, installation and dismantling)
- Hanging trusses with structures need the civil engineering signature on every page of the construction documents. The license of civil engineering is needed for a copy submission accordingly.

- Island booths are not allowed to construct a full wall. All stands must have at least 50% of any frontage facing an aisle left open or fitted with transparent (see-through) material. This area must be visibly-free of obstruction.
- If any damages are incurred due to the failure of exhibitors or contractors. The Organizer reserves the right to deduct the Hall Clearance Deposit for the damages without the contractor's argument.
